DECLARATION OF KEVIN S. CASEMENT UNDER 37 C.F.R. § 1.132 IN VIEW OF
35 U.S.C. §103(c)

Hon. Commissioner for Patents
Alexandria, VA 22313-1450

I, Kevin S. Casement, do declare that:

1. I am a United States citizen residing at 2750 Holly Hall St., #1218, Houston, TX.
2. I currently hold the position of Director of Technology Assessment and Licensing, MD Anderson Cancer Center (Houston, TX).
3. Applicants in the above-captioned application were subject to an obligation of assignment to the Board of Regents, The University of Texas System, at the time the

invention was made. The current assignee of the above-captioned application is the Board of Regents, The University of Texas System.

4. U.S. Patent No. 5,747,469 (Roth *et al.*) was assigned to the Board of Regents, The University of Texas System at the time the invention claimed in the above-captioned application was made.
5. I hereby declare that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
